20th April 2026

Announcement of Joining the NIPPON SEIKI Group

TOYO DENSO CO., LTD. (President: Kiyoshi Koide, hereinafter referred to as "TOYO DENSO") hereby announces that it has become a member of NIPPON SEIKI CO., LTD. (President: Keiichi Nagano; hereinafter referred to as "NIPPON SEIKI") Group.

While we has primarily engaged in the manufacture and sale of switches for automobiles and motorcycles, we believe that becoming a member of NIPPON SEIKI Group—whose business encompasses automotive instruments, head-up displays, sensors, and other in-vehicle products—will enable both companies to mutually leverage their respective technologies and expertise, leading to further business expansion and sustainable growth.

Going forward, we will continue to move forward with sincerity as a company committed to contributing to the future society, and we respectfully ask for your continued guidance and support.
